[Jakarta, Indonesia] – 19th June 2025 - [Karaoke Manekineko](#) has rolled out a temporary but vibrant “Jolly Special Room” campaign at its Lippo Mall Puri outlet, featuring five distinct room styles designed to accommodate different group sizes and entertainment preferences.

Running from **2 to 31 June 2025**, the campaign allows guests to book from a selection of uniquely outfitted spaces—including **Studio Room, Grand Room, VIP 1, VIP 2, and Family Room**—with prices starting from **150K++**.

Each room offers a different ambiance:

- The **Studio Room** brings a larger party-style setting ideal for celebrations.
- The **Grand Room** features a billiard table for added leisure between songs.
- **VIP 1** and **VIP 2** come with immersive lighting and projection setups for a more private and stylish session.
- Meanwhile, the **Family Room** caters to parents and kids looking for shared entertainment.

What makes the offer especially appealing is the inclusion of a **complimentary pizza with every special room booking**, turning a simple karaoke visit into a more complete social experience.

With themed rooms increasingly popular among younger demographics and group visitors, this limited-time event is part of a broader trend where karaoke venues evolve into multi-activity spaces that combine food, design, and interaction.

Located on the **Lower Ground floor of Lippo Mall Puri (in front of Rockstar Academy)**, the venue encourages early booking due to anticipated high demand during school breaks and social gatherings.
